

How to fill out the Recall Petition

It is **important** to follow these simple steps exactly or your signature will not be counted. You will be both the signer and the circulator, so you must sign twice.

WHO CAN SIGN: **REGISTERED VOTERS OF DISTRICT 2 ONLY!**

Here are the steps to follow:

1. **Print the petition.** The best is to print it front and back on a single sheet of paper. This would be perfect. If not, please print both pages and staple them together. **YOU MUST PRINT BOTH PAGES!** You cannot just print the signature page. Your signature will not count if you do not print both sides of the Recall Petition and send them to us at the address below.
2. **Sign as a Signer.** You must **PRINT YOUR NAME CLEARLY**. Sign as you are **REGISTERED TO VOTE**. Print you address clearly with City St and Zip Code. **DATE THE DAY OF SIGNING**.
3. IF you have other Registered voters in the household, you can have them sign in blocks 2, 3 and 4. They must follow the directions in #2 above.
4. **Sign as Circulator** in the Declaration provided at the end of the petition. **YOU MUST FILL THIS OUT**. If you do not fill out this Declaration the signatures will not count. Print your name in the first blank. First Date of Circulation is the date of the first signature on this petition. The Final Date of Circulation is the date of the last signer on this petition. Print your name again in the space provided, and sign to the right of your printed name. Finally, you must print the date of the day you filled out the Declaration.
5. Once properly filled out, please return using one of the methods below:
